# A true one-stop solution

With our experience, fully trained staff and investment in the latest equipment, we offer the complete solution for all grounds maintenance services, delivering efficiency, professionalism and value-for-money.

#### Grounds Maintenance services include:

- Lawns and grassed areas (from box mowing to outfield gang mowing)
- All hedges, shrubs and borders
- Hard-surfaced areas maintained (weed control, sweeping etc)
- Sports field set-up and maintenance
- Pest control

#### Tree work services include:

- Tree reports/TPO and safety surveys
- Pruning, felling and stump grinding
- Coppicing, clearance and forestry

#### Landscaping services include:

- Full design service
- Construction of hard and soft landscapes
- Fencing
- Paving/surfaces
- Planting

ProGround offer customers the full range of landscape maintenance services with the highest levels of expertise for the commercial and business sectors across the South East of England.

We provide intelligent solutions for all the challenges of exterior grounds maintenance and landscaping for every size of site, at schools, business premises and managed grounds.

Our levels of experience, ongoing commitment to staff training and investment in quality up-to-date equipment help us achieve the best possible results.
